

Folding Instructions:

Make all folds neatly and squarely

1. Carefully cut along the dotted lines to make a square.
2. With the pictures and text facing upward, fold the paper neatly in half and then in half again.
3. Undo the folds and flatten out the paper. Flip the page over so that the blank side faces up. Fold in each corner so the four points meet in the center.
4. Flip the paper over. Again, fold in each corner so the four points meet in the center.
5. Fold the square in half, making a rectangle, with the open flaps facing down. The writing should be right-side up.
6. Slide both index fingers and thumbs under each of the four outer flaps.
7. Pinching your fingers together, push the top corners of the flaps toward the center. Poke down into the center to help form the shape.

To play the game:

1. Answer one of the questions on any of the outer flaps.
2. Choose one of the possible answers on the inside. By opening it either of two ways, four possible answers are revealed.
3. Look under the selected answer to learn more.
